QINGDAO SDGEO MATERIAL CO.,LTD
T:5255 2699 9883 omarg.sarabia@omsar.com.mx

PP MACRO FIBER (TDS)

Product Code

SDGEO-PPS-YW

Product Feature

1.Good dispersion in concrete,absorption nil.
2.Fatigue resistance,corrosion resistance,chemicial resistance
3.High tensile strength,superior in shear and crack resistance.
4.No damage to stirring equipment compared with steel fiber.
5.Easy to operate during construction.

Technical Properties

SrNo	Test Item	Unit	Result
1	Length	mm	customizable
2	Filament Diameter	mm	0.8
3	Density	g/cm³	0.91
4	Tensile Strength	Mpa	685
5	Alkali resistance	-	Yes
6	Melting point	℃	160
7	Modulus of elasticity	GPa	10.2

Package

◆Standard pack: 15-25kg/carton box(customized)
◆Loading quantity: 18-23tons/40hq container

Construct Suggest

Application	Admixture dosage
Concrete Construction	3-4kg/m³
